

# **X-ray Diffraction Small Research Facility Registration Form**

Please fill clearly in BLOCK CAPITALS

Name: \_\_\_\_\_

Email: \_\_\_\_\_

University Username: \_\_\_\_\_

University Registration Number: \_\_\_\_\_

Position: ( Undergrad. / Masters / Postgrad. / Postdoc. / Staff / Erasmus / Visitor / KTP Assoc.)

[DELETE AS APPROPRIATE]

Department: \_\_\_\_\_

Funding Supervisor(s): \_\_\_\_\_

## **Terms of Use of X-ray Diffraction Small Research Facility**

I agree that:	Initials
I understand the role and function of the safety mechanisms in the diffractometer, and will not act to circumvent them	
I will not alter the configuration of any diffractometer without the prior express agreement of the X-ray Diffraction Small Research Facility manager	
I understand how to use the Radiological Protection Instruments, and will use them each time I perform an experiment	
I must not remove any tools, equipment, specimen holders <i>etc.</i> from the X-ray Diffraction Small Research Facility	
I will not train other people in use of any diffractometer within the X-ray Diffraction Small Research Facility	
I will follow the rules for booking experimental time, and will fill in the log book at the start of EVERY experimental session	
I will label all specimen holders with my name, and dispose of my specimens within 24 hrs of experimental time at most	
I understand the procedures for removal of other people's specimens from diffractometers, and will leave them wrapped and labelled appropriately	
I will not install ANY software on any of the computers within the X-ray Diffraction Small Research Facility	
I will not pirate ANY of the licensed software on any of the computers within the X-ray Diffraction Small Research Facility
